Dear Parent or Guardian

We are pleased that your child has applied to join Stanton Library via our website at mylibrary.northsydney.nsw.gov.au

Joining the library is free, and membership is open to everyone. Library membership gives access to free books, DVDs and magazines, eBooks, eAudio, eMagazines, streaming movies and homework databases. Our library offers a range of services, including computer access, free WiFi, printing, photocopying, and scanning.

Your child’s library card will need to be collected from the library. Please visit our website for our location, opening hours, contact details, and library conditions of membership.

We need your permission before your child can join the library. There are two ways to do this:

1. Visit the library with your child, bringing proof of your current NSW address; or
2. Give them this signed letter with your Stanton Library membership number or a copy of your identification with proof of your current NSW address.

We look forward to welcoming your child to Stanton Library.

Sincerely,

The Stanton Library team
